

## List of Prohibited Activities

There are certain activities – including lobbying, political, religious, or advocacy activities – that AmeriCorps members and staff may not perform in the course of their duties, while charging time to the AmeriCorps program, or at the request of program staff. Furthermore, members and staff may not engage in any conduct in a manner that would associate the national service program or the Corporation of National & Community Service (CNCS) with the prohibited activities. Programs must become familiar with the specific prohibitions described in the CNCS formal regulations and the grant provisions. ***The list of prohibited activities includes:***

- organizing a letter-writing campaign to Congress;

Additionally, members may not consider such hours as direct service: 1) Time spent sleeping during overnight retreats affiliated with their service site (or for personal recreation) or travel time to and from a service site. 2) Service outside a program state (CA, AK, ID, MT, OR, WA, and HI including the US Territories of Guam, American Samoa, or Saipan (CNMI)) or outside the U.S.A. Exceptions can be made with disaster relief sites such as the recent New Orleans/Mississippi Hurricane disaster.

However, AmeriCorps members, like any other private citizens, may participate in any of the above activities on their own time, at their own expense, and at their own initiative. Members may not wear AmeriCorps service gear or other identity item (pins, hats, etc) in such instances.
