

Pre-Service Reflection Questionnaire

Student: _____ College/University: _____

What motivates you to pursue a term of service with the *Students in Service* program?

How does your participation in the *Students in Service* program relate to your professional/personal goals?

In what ways do your professional/personal goals support lifelong involvement in your community?

Can you make the commitment to completing either the 300, 450, or 900 hour term of service?

What other questions do you have about the Students in Service program? (You can ask them at the In-Person Orientation if they are not covered)

Bring this questionnaire to the In-Person Orientation. After the In-Person Orientation you will pass in this questionnaire with your enrollment package. **Also, in order to enroll in the SIS program, you will need to provide a copy of an ID (usually a birth certificate, passport, or green card or other detailed on page 1 of Member Agreement) with your enrollment paperwork before being officially enrolled.**
